# GPRS CONFIGURATION

1. Install SIM card. See appropriated example for more details. Before SIM card installing in TRIUMPH-VS, it is strongly recommended to remove PIN code using your cell phone.
2. Turn your TRIUMPH-VS on.
3. On the main screen tap the GSM status icon:

Figure 1. Main screen

4. Ensure the SIM card is detected and TRIUMPH-VS has been registered in the cellular network:
